

**The Lebanese American University  
Department of Education  
In collaboration with the British Council**

**Is pleased to announce the first**

**International Education Conference for Graduate  
Students (IECGS)**

**Between Questions and Findings:  
Educational Research from around the Globe**

on

Friday, April 8, 2016

Saturday, April 9, 2016

This conference is organized to encourage graduate students in Education to present their research to an audience of peers who may be at various stages in their research projects in order to (1) assist them in developing their research ideas through exposure to a diversity of topics, methodologies and research strategies, (2) gain experience in presenting and communicating research to peers as well as other audiences, and (3) provide them with a platform for networking.
