*Best Practices & Translational Research*

Dear Colleagues,

On behalf of the Lebanese American University Gilbert and Rose-Marie Chagoury School of Medicine, it is my great pleasure to invite you to the **Second International Conference on Medical Education** on November 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup> at the Mövenpick Hotel in Beirut and on the LAU Byblos campus.

The theme of this year's conference is "Evidence-Based Medical Education, *Best Practices and Translational Research*". We will be gathering practitioners, researchers and educators from around the world in order to:

- Address current challenges in medical education
- Promote quality of care and patient safety
- Help incorporate innovative technologies in medical education
- Encourage networking among educators in the health professions and related fields

This inspiring program will include hands-on experience through workshops and roundtables led by world-renowned professionals from top academic programs and other leading institutions.

We look forward to welcoming you all.

Best Regards,
