

The School of Pharmacy - at the Lebanese American University (LAU) & LAU Medical Center - Rizk Hospital (LAU Medical Center-RH) in collaboration with the Department of Pharmacy at the American University of Beirut Medical Center (AUBMC) and Department of Pharmacy at Cleveland Clinic Abu Dhabi (CCAD) invite you to participate in its

## “Fifth Annual Pharmacy Residency Conference 2023”

on June 27, 2023 from 2:00 pm to 5:30 pm

Please find below more details about the conference

- **Aim:** To create an opportunity for pharmacy residents in Lebanon and the United Arab Emirates to make formal professional presentations of their own projects and/or research and exchange information and ideas with colleagues
- **Target audience:** Pharmacists, pharmacy residents, graduate students, preceptors, directors, and interested healthcare providers and practitioners
- **Learning Outcomes**

Upon completion of this knowledge-based activity, the participant should be able to:

- Describe research projects conducted by pharmacy residents at AUBMC, CCAD and LAU Medical Center-RH
- Identify ways that residents can further develop their research methodology
